Sonny York & Teddy Yarbrough working on the Playscape June 2022

Rockmart's *150th* Birthday Celebration

On August 20, 2022, Rockmart celebrated their sesquicentennial (1872 - 2022). Our Rockmart Community Chorus helped open the festival with singing. RCAC had a booth at the festival with free activities for children. We were blessed with a gorgeous day with sunshine and fun seeing friends. We enjoyed the parade, food, music, vendors, fireworks and more. Many Thanks to everyone that helped make this such a memorable event!

Playscape Renovation Project

In 2000 the City of Rockmart, Friends of the Park (community volunteers), and Corporate Sponsors built The Rockmart Playscape at the Nathan Dean Sports Complex. A major part of the design was to create public art that reflected the history of our community.

The historic streetscapes featuring landmarks, schools, and buildings familiar to Rockmart residents were depicted on wood panels beside the play area. Rockmart High School students in the classes of Andy Williams and Jim Fugelsoe designed the five (5) wood panels and local woodworkers Glenn Philpot, Joe Maddox, and Sonny York rendered the drawings on the panels with carvings and routings.

Over the last twenty-two years, the panels have weathered and show deterioration caused by the elements and aging.

As part of the city's 150 Anniversary celebration in 2022 and funding from the Georgia Council for The Arts* and the City of Rockmart, restoration and relocation of the panels became a reality starting in January of 2022.

Work included carefully removing and labeling the individual boards from the post by Rockmart city staff. Sonny York cleaned, sanded, and sealed the panels. Frames for each panel were crafted by Teddy Yarbrough. Once the pressure-treated wood dries the frames and post will be painted and landscaping will be completed.

Special thanks to The Polk County Sheriff's Detail, City of Rockmart Public Works, Sonny York, Andy Williams and Buy Low Building Supply. Many Thanks to Cathy Matthews who spearheaded this project and worked on the grant.

*This program is supported in part by Georgia Council for the Arts through the appropriations of the Georgia General Assembly. Georgia Council for the Arts also receives support from its partner agency – the National Endowment for the Arts.
